

OFFICE OF THE SANTA FE COUNTY ASSESSOR

Property Corrections

Once we have received your request, a staff member will be assigned to research the discrepancy and work to resolve the issue. Any changes made to the information that affect your valuation will be made for the following tax year if the request is submitted after April 30th of each year.

Please realize that the public information provided through this tool is for property tax purposes only. Minor differences in the square footage of structures or land size may not affect your valuation.
